## Financing

### Why?

To help you conserve capital, and preserve or establish  
lines of credit, while acquiring the equipment needed to  
expand your operation, or outpace competition, produce  
far more efficiently, and generate greater profit. In most  
cases, a financial statement is not required.

### What?

Any woodworking machinery from any manufacturer sold  
through Integrated Machinery Solutions. Once approved,  
you can be extended a line of credit to use on your future
